CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Eisenhower Wins With A Landslide

The biggest vote in American history swept Dwight D. Eisenhower into the presidency Tuesday with a tissue thin Republican margin in the House and a slim chance at control of the Senate.

President Truman immediately invited the 62-year-old President-elect to a White House meeting to give him a running-start on the tremendous task of bringing a new administration into power for the first time in 20 years.

Seventy-five per cent of the registered voters in Palm Beach county went to the polls Tuesday and cast their ballots in the national, state and county elections. Out of 54,893 registered voters in Palm Beach county a total of 41,227 took time out to exercise their right of franchise.

East Coast polling places were crowded all day long. In the Lake Region voters seemed to go in steady streams to the polls but at no time in Pahokee or Canal Point was there a jam at the polls.

Interest, of course, centered around the presidential race and a column of figures elsewhere shows how the Everglades precincts voted in the Eisenhower-Stevenson race. The general carried the Glades by a small majority.

The Eisenhower tide that swept Florida carried six GOP candidates into the state Legislature today and threatened to send a Republican to Congress for the first time since Re-construction Days.

In the First Congressional District, Democrat Courtney Campbell of Clearwater Beach held an indecisive 1,000-vote lead over Republican William C. Cramer of St. Petersburg. The outcome apparently hinges on the counting of some 8,000 votes tomorrow and Friday.

And Sarasota County awarded two Republicans membership in the state lower house, William A. Washburne, Jr. of Nokomis and Henry S. Bartholomew of Sarasota.

Favorable Weather After Heavy Rains Helps Avert Disastrous Flood

Ten days of fair weather following one of the wettest Octobers experienced by Glades vegetable growers in the Pahokee-Canal Point area has averted a flood threat so widespread and serious that the whole Glades area was teetering on the brink of a major disaster, according to Robert F. Chamberlain, local drainage district secretary.

Records at Chamberlain's offices in Canal Point show that rains fell in this area 23 days out of 31 in October, the total rainfall for the month ranging at the various gauges from 13.81 to 16.31 inches.

Growers have been operating their drainage pumps at full capacity around the clock since the afternoon of Oct. 6 when a cloud-burst dumped more than four inches of water in this area over a two-hour period. From that afternoon on it rained practically every day until Oct. 28.

On that date, which marked a break from rainy to fair weather, Lake Okechobee had reached a level so high it was unable to effectively receive additional flood waters from adjacent farm lands. The West Palm Beach Canal was overflowing across SR 716 at sev-

eral points between Canal Point and Twenty mile Bend and all other drainage facilities built to cope with flood waters in the Glades were strained to the breaking point.

Luckily for residents of the Glades the stationary northeast front that caused such heavy rainfall in Dade and Broward Counties on Oct. 27 failed to affect this area, as only a very light rainfall was recorded on that date. Had that wet front decided to camp over Lake Okechobee instead of Miami, one cannot estimate the tremendous damage it would have done to the entire Glades farming and cattle industry, Chamberlain said. Few persons fully realize what a close call to disaster we really had and we still need another week of dry weather before we will be in fairly good shape, he added.

Cool, dry, breezy weather has brought a remarkable change to this land of "quick come backs." Tractors are once more busy pulling plows, discs and planters and, believe it or not, raising some dust in fields of muck that a week ago were little more than soggy bogs.

That Glades growers are har-

vesting crops planted before the October rainy spell began is the most remarkable feature of the whole flood picture. The harvest of beans on a limited scale has been under way for a week, with the quality and yield improving every day, and Joe Hatton and Sons started the harvest of a light fall crop of sweet corn Tuesday of this week.

It is true there were many fields completely wiped out by the excessive rains, but how crops which had half a chance were able to keep growing under almost continuous flood conditions is a mystery even to those who have grown vegetables here since the pioneer days. H. L. Speer of Pahokee, assistant County Agricultural Agent, is of the opinion the continuous cloudy skies protected the plants from scalding and they adapted themselves to the water-soaked soil by developing a root system very near to the top of the ground. "Hot, bright sunshine following heavy rains is always destructive to crops, but we didn't see much of the sun in October," he observed.

Commerce Body Has Open House

The Pahokee Chamber of Commerce held open house in its new office at 9 Lake Ave., in the Dixie Hotel Building Monday when refreshments of coffee, sandwiches and cookies were served to visitors.

The office, recently remodeled and redecorated, will be open daily through the coming season as an information center for tourists, visitors and other interested persons, according to President Ralph O. Johnson. Mrs. Bertha Orr, former clerk-receptionist for the Fort Lauderdale Chamber of Commerce, has been employed as office secretary for the season and will be on duty from 9 a. m. to 5 p. m. weekdays.

Mrs. Orr will also be available at the office as a public stenographer and will operate a public mimeographing service, Johnson said.

Special Masonic Program On Tuesday

The Everglades Lodge 211, F&AM, presented a special program in Masonic Hall Tuesday night in observance of the 200th anniversary of the initiation of George Washington into Masonry. James W. Vann, executive director for the Pahokee Housing Authority, was guest speaker. Members of the Pahokee Chapter, Order of Eastern Star, and the Pahokee Assembly, Order of the Rainbow, were in charge of music arrangements on the program.

Rose Doughtie of West Palm Beach spent the weekend in Pahokee visiting her aunt, Mrs. W. H. Key.

Ralph O. Johnson Again Heads CofC

Ralph O. Johnson, city attorney, was re-elected president of the Pahokee Chamber of Commerce at the annual election of officers in the city hall Monday night.

Other officers chosen for the coming year were John Elbon, vice president; Curtiss Chase, secretary; Mrs. Ora W. Powell, treasurer; Elsworth Keen, Leonard Dobrow, Curtis Chase and Mrs. Jane L. Reiker, three-year term directors.

Plans were made for a Christmas decoration contest for local merchants, with Joseph Kahn, chairman of the merchants division, in charge of arrangements.

Rotes To Sponsor Explorer Scouts

The Pahokee Rotary Club at the Thursday luncheon meeting last week voted to sponsor an Exploratory Scout Troop for boys of 14 years or older in addition to its sponsorship of Boy Scout Troop 23. Joe Alderman, director of community service, announced Clyde Brown, who has been serving as scoutmaster for Troop 23, will head the new Exploratory Troop and Bill Williams will be the new scoutmaster for Troop 23. Williams will be assisted by William Weather, assistant scoutmaster.

Robert O. Lampi, awards chairman of the North Glades District of Boy Scouts, reported 11 scouting awards were made at the district court of honor Monday night.

Floyd Euell, new laboratory technician at the Everglades Memorial Hospital, was introduced as a guest by Harold Wetzel, host (continued on page 8)

Work To Resume On State Road 717

Work will be resumed Monday morning hauling rock on State Road 717, according to an announcement by the SRD engineering department. Up to date the contractor has nearly four miles of new rock down on the eight mile contract. Wet weather during the past month halted work completely.

State Road 717 begins at the Woman's Club building in Pahokee and runs to State Road 80 near the Negro migratory camp. East of South Bay—a distance of around 12 miles. The part from the Woman's Club to the Pahokee airport is 4.2 miles and is known as Bacom Point Road.

Contract was let recently by the Road Department for a new bridge to replace the dilapidated structure now being used at Chosen. Cleary Brothers Construction Company of West Palm Beach was low bidder.

Charles Dickson Wins Purple Heart

PEARL HARBOR—T. H. Marine Corps Cpl. Charles B. Dickson, son of Mrs. A. O. Allen of Pahokee, a transient patient at the Tripler Army Hospital, Honolulu, has been presented a Purple Heart for a wound in action against the enemy in Korea. Acting for the President of the United States, by direction of the Secretary of the Navy, Marine Corps Colonel Walter R. Lytz presented the medal.

The Florida Press Association will be host to the National Editorial Association when it meets in Miami, January 8-10.

Blue Devils Meet Stuart 11 Tonight

There'll be a hot time in the Sun coast Conference cellar tonight when the Stuart Tigers invade Lair Filed to battle the Pahokee Blue Devils, each team determined to advance a step in conference ratings at the expense of its opponent.

Both teams are having a poor season this year. The Tigers have lost all of their games, including five conference tilts, while the Blue Devils, though losing all of their conference contests to date to Clewiston, Lake Worth and Seacrest, have fared better outside the conference with victories over St. Ann's of West Palm Beach and Okeechobee, losing to Key West.

Coach Webb Pell, remembering the tough opposition the Tigers gave Belle Glade two weeks ago in holding the Rams to two touchdowns, is preparing for a hard fight. Coach Francis Rowell's Martin County eleven moves fast out of single and double wing formations and Webb expects Halfback Leland Johns, the Tigers' passing arm, to launch strong aerial attacks throughout the game.

Webb is sticking to the same lineup as he used last week against Okeechobee except for putting Leland Bectom at left tackle in place of Don Beverly. He says his men are free from injuries and ready for tonight's game. He sees no more than one touchdown difference in the strength of the two teams, with the outcome liable to go either way. Halfbacks Hal Rosenberg and Bill Hatton are expected to be the big guns in the Blue Devils attacks.

The Stuart Band, Roger Dancz, director, will accompany the Tigers to Pahokee and share honors with the Pahokee Band, Robert O. Lampi, director, of the program of entertainment at the half-time.

Cinematic Chatter

By Malcolm Miller

Hello everybody! Leslie Caron, the petite French miss, who first revealed herself to American motion picture audiences as Gene Kelley's sensational dancing partner in "An American in Paris", then proved her merit as a straight dramatic actress in "The Man With a Cloak," now displays a third talent in her third motion picture, "Glory Alley," in which she not only dances and plays a dramatic role—but sings! At the age of fifteen, the Parisian-born Leslie was dancing solo bit parts for Roland Petit, choreographer of the Ballet des Champ Elysees. David Lichine, arriving in Paris to stage a series of ballets, was so impressed with the youthful ballerina that he gave her the leading role in "La Rencontre", in which she portrayed the Sphinx. At eight o'clock of the opening night she was a relatively unknown dancer, but by eleven o'clock she was the

toast of Paris. In 1948, Gene Kelly, visiting Paris, attended a performance of the Ballet des Champ and went back stage to compliment the brilliant danseuse. But Miss Caron, told that Kelly was in the audience, and extremely shy, hurried home before he had a chance to talk to her. When Kelly again went to Paris in the spring of 1950, seeking a French girl to play opposite him in "An American in Paris," he immediately looked up Miss Caron and suggested that she make a test for the part. When the test was flown to Producer Arthur Freed and Director Vincente Minnelli in Hollywood, it was received so enthusiastically that Miss Caron was immediately signed to a contract. She is now considered one of the most talented young stars in Hollywood. See you at the movies—Mal.

Youth Fellowship Of Glades In Meeting

A Glades Sub-district meeting of the Methodist Youth Fellowship was held at the Pahokee First Methodist Church Tuesday night, with MYF units from Moore Haven, Clewiston, Belle Glade, Pahokee and Canal Point participating.

A Thanksgiving program, "Faith of Our Fathers," was presented by the Pahokee MYF officers: Jimmy Rozelle, Donna Gail Jensen, Phoebe Ann Ramey, Don Beverly and Lynn Shirley, assisted by Dr. Rembert A. Guy, Mr. and Mrs. Bill Moss and Mr. and Mrs. Harold Leggett.

The program was opened with organ music by Lynn Shirley. Bill Hatton sang a solo, "Faith of Our Fathers," and served as song leader in the group singing. The program was closed with a prayer by Mrs. Velva Elliott, Pahokee MYF counselor.

At the business session, the proposal that a central meeting place be chosen for all regular sub-district meetings in the future was discussed, but action on this issue was postponed until the next meeting to be held in Belle Glade Dec. 2. The monthly attendance banner was transferred from the Belle Glade to the Pahokee unit which had 27 members present. MYF activities through October were given by representatives of the various units.

During the social hour following the meeting, a wiener roast was enjoyed around a camp fire on the lawn at the rear of the church. Mrs. J. B. Adams and Mrs. J. V. Thomas, hostesses, were assisted with serving of refreshment by Mrs. R. A. Guy and Mrs. Elliott.

Do you have Series E Defense Bonds coming due this year?

Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1952. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But, unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2 3/4% per year. For full details, ask at any Federal Reserve Bank or Branch.

Here's how Series E Defense Bonds earn the first 10 years

MISS PEGGY ANNE STALLS OF MOORE HAVEN

Mrs. Sion C. Stalls of Moore Haven, has announced the engagement of her daughter, Peggy Anne, to George Lawton Sims, Jr., of Canal Point. Miss Stalls is a graduate of Moore Haven High School and was chosen first Queen of the Chalo Nitka Festival in 1949. She attended the University of Florida at Gainesville for two years and is

now employed in the Statistical Laboratory connected with the University. Mr. Sims graduated from Pahokee High School and is a senior at the University of Florida. He is a member of Lambda Chi Alpha fraternity. Plans for the wedding will be announced at a later date.

Canal Pt. Carnival Is A Huge Success

All of the children of Canal Point received free refreshments of hot dogs and soft drinks and balloons favors at the big Halloween carnival and party given by the Parent-Teacher Association at the Canal Point School Friday night, with County Commissioner Paul Rardin acting as master of ceremonies.

Children winning cash prizes for wearing the most original, most beautiful, most comical and most typical costumes in the Halloween parade included Franklin Branch, Donald Wayne Branch, Jackie Yoemans and June Hughes, preschool age; Lyndell Chastain, Amy and Dubbie Young, Joy Sims and Velma Williams, first and second grades; Ralph Fleming, Clifford Grayly, Harold Yoemans and Glendys, third and fourth grades; Larry Livingston, David Jones,

Johnny Yoemans and Suzanne Chastain, fifth and sixth grades; Gene Haggins, Delilah Strayer, Woody Strayer and Irene Lamb, seventh and eighth grades. On the judging committee were Mrs. C. G. Coburn, Mrs. W. S. Evans, Mrs. M. C. Carter and Jerry Gold.

Following the parade, a talent show was presented in the school auditorium where winners were chosen by the volume of audience applause the acts produced. Judy Shackford and Martha Gail Ammons teamed up in a frenzied Charleston dance to win first place and Evelyn Jones placed second with her harmonica playing. Judy Buchanan and Sonny Hooks presented a song and dance number to the Horace Scruggs, soloist, who sang "The Bowery," for third place.

Others taking part in the talent show were Diane Holton, Velma Williams, Barbara Hall, Amy Young, Judy Pugh and Nellie Yoemans, Sandra Upthegrove, Cecelia Erffinger, Glenda Sears, Johnny Smith and Irene Lamb. The Parent-Teacher Association

Pahokee Carnival Draws 1500 Folks

A crowd of 1,500 Pahokee children and their parents enjoyed the Halloween carnival sponsored by the Parent-Teacher Association on Lair Field Friday night, with 18 civic and school groups participating by operating entertainment booths.

Buddy Parker and Annette McIntosh, ninth grade students, winners of the king and queen contest sponsored by the Student Council, were crowned king and queen of the carnival by Nealy Johnson, last year's carnival king. The ten losing contestants in the race for king and queen honors were each presented with a fountain pen as a consolation prize.

Darryl Davis, Pahokee High School Junior, acted as master of ceremonies at the coronation ceremony and the Halloween parade, the two big events of the evening.

School children receiving cash prizes for wearing costumes in the parade judged to be the prettiest, the most original and the most like Halloween in their various groups were: Dot Emma Lair, Tommy Knight and Joe Repper. Mrs. Kathryn Cunningham's First Grade; Kay Cross, Tommy Collier and Marjorie Mills, Mrs. Sue Shirley's First Grade; Carol Mae Hatton, Pam Boe and Kirby Mole, Mrs. Myrtle Brooks' First Grade; Faye Johnson, Catey Chamberlain and Betty Jo Phillips, Mrs. Reba Golden's Second Grade; Cheryl Dugger, Wayne Boynton, Eleanor Mavor and Sammy Rushing, Mrs. Myrtle Johnson's Second Grade; Alice Hurt, Tommy Hand and George Rushing, Mrs. Josephine Scharitz's Third Grade; Vicki Al-

Spiritual, perfect man, created by God, is shown to be the real man in the Lesson-Sermon entitled "ADAM AND FALLEN MAN" to be read next Sunday in all Churches of Christ, Scientist.

The Golden Text is from Romans (5:17): "If by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ."

Bible reading include the following from Genesis (1:27): "So God created man in his own image, in the image of God created he him; male and female created he them."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "God fashions all things, after his own likeness. . . . Man after God as coexistent and eternal with God forever reflect, in glorified quality, the infinite Father-Mother God" (p. 516).

Volunteer Service To Extend Work

The Brethren Volunteer Service, a missionary group that has provided religious education, recreational and social service, and a children's nursery at the Pahokee White Labor Supply Camp for the past four years, has announced plans to extend its nursery work to include a limited number of children of working parents living in Pahokee outside the camp, according to Julian Griggs, BVS director. Pahokee's BVS unit is a cooperative project of the Home Mis-

sions Council of the National Council of Church and the Church of the Brethren. In addition to Mr. Griggs, young people of the Church of the Brethren who are serving on this year's staff at the Pahokee Camp are Virginia Kubit of Waynesboro, Pa., Martha Bashore of Rehresburg, Pa., and Emerson Davidson of Tipp City, Ohio.

Mrs. J. G. Thomas, Sr., of New Orleans arrived by plane Saturday to spend the season in Pahokee with her son and daughter-in-law Mr. and Mrs. J. G. (Jimmy) Thomas, Jr.

After the harvest, comes work and planning to make next year's crops bigger and better. We in the Telephone Company are working and planning, too, for another big crop of rural telephones.

In the past six years, rural telephones have more than tripled in the area served by Southern Bell. And the service is faster and better.

There's still a big job to do—one that takes a lot of money, materials, experience and time . . . but you can depend on us to keep it moving.

MOVIE INDUSTRY COMES TO FLORIDA

Full length feature movies, a long-dreamed of possibility, are now a reality in the Sunshine State. Miami National Pictures, Florida's first major motion picture production studio, is now operating in Miami and has already turned out a number of short subjects and commercial films. Work is also underway on the first full length feature film to be wholly produced in the state. Taking full advantage of Florida's year-round sunshine, countless new and different shooting locations and the great wealth of acting talent, two experienced motion picture executives, William Van Ness and Edgar Pearce, have organized Miami National Pictures, Inc. These two enterprising men have built an organization of skilled technicians, capable of competing with the best Hollywood has to offer. Two studios are already in operation and a 1500-seat theatre with a giant stage is ready for musical productions. Facilities include the latest in 35 mm and 16 mm cameras and complete sound and lighting equipment suitable for filming shorts, features, television movies and training and industrial films. Shown above is the giant theatre and a sectional view of one of the studios with Edgar B. Pearce and William Van Ness in consultation.

To Prepare Baskets For Needy Families

Each of the five circles of the Pahokee First Methodist Woman's Society of Christian Service will prepare a Thanksgiving basket of food for a needy family, according to plans announced at the November meeting of the WSCS in the church Monday afternoon, with Mrs. Arch Blakey, president, presiding.

Mrs. C. A. Canipe, missionary education chairman, reported the foreign missionary project which the society has been sponsoring in China had to be suspended until more favorable conditions exist in that country.

Mrs. Blakey reported the society received \$24.50 from the operation of its PTA Halloween carnival booth and named Mrs. Leon Spooner, Mrs. R. B. Simonson and Mrs. Nola B. Smith on a special committee to decide on what mission project this money will be spent.

It was announced the Pahokee WSCS members will be hostesses at the luncheon Dec. 2, when a conference of the West Palm Beach District of Methodist Churches will be held at the local church. The Gertrude Shirley Circle will be in charge of luncheon arrangements, with Mrs. H. J. Anderson, hospitality chairman, assisting.

The program, "Interpreting Love," was presented by members of the Mabel Simonson Circle. Talks on the subject were given by Mrs. Frank Friend and Mrs. R. J. Schroder. Mrs. C. M. Todd played a piano solo, then joined Mrs. Arch Blakey in an accordion-piano duet. The program was concluded

with a musical reading by Mrs. Todd, with Mrs. Blakey at the piano.

October Report Shows One Killed

One person killed and 22 injured in the 47 car accidents occurring in Palm Beach County through the month of October, according to the monthly report of the Department of Public Safety released at the Pahokee District Office of the Florida Highway Patrol.

FHP officers, in addition to investigating these accidents, made 115 arrests for law violations in the County in October, issued 161 written warnings of improper driving and 273 written warnings of faulty equipment, gave assistance to 126 motorists, delivered 17 talks on safer driving, and gave examinations to 925 applicants for drivers licenses of which 584 passed, 313 failed and 28 of the examination papers were termed incomplete.

Joint Meeting By Glades BPW Groups

The Pahokee Business and Professional Woman's Club at a business meeting at the home of the president, Mrs. Elsie Sims, Tuesday night made plans to act as co-host with the Belle Glade Club at a B&PWC district meeting to be held a Pahokee Sunday, Nov. 16, in the Elks Hall on East Main Street, with a chicken barbecue to be served at noon.

The club also discussed plans to sponsor a performance of "The Grand Ole Opry" in Pahokee, the

Pioneer Growers Elect Officers

The Pioneer Growers Cooperative of Belle Glade has named new officers. Directors re-elected for a period of three years are Fritz Stein, Belle Glade, and Frank Wilson, South Bay.

Other directors are: J. H. Chambliss, J. A. Ball, A. J. Sullivan, I. L. Price, all of Belle Glade and Arthur Wells, Bean City. E. A. McCabe, the executive vice-president, presided over the meeting and gave the annual report.

At a meeting of the board of directors, A. J. Sullivan was elected president and J. A. Ball, was re-elected vice-president. The outgoing president is Fritz Stein. E. A. McCabe was re-elected executive vice-president and Frank Dooley, secretary and treasurer.

Harold Wetzel, administrator at the Everglades Memorial Hospital, and Floyd Euell, laboratory technician at the hospital, were guests Mr. Euell explained the movement to establish a "walking blood bank" in support of the local hospital and while at the meeting typed the blood of club members present.

Baptist Group To Meet In Lauderdale

Musical Auditorium of Ft. Lauderdale will be filled next week with singing, praying, preaching and debating Baptists from all over Florida. The Florida Baptist Convention will convene Wednesday, November 12, at 9 a. m. for their ninety-first annual session. The session will adjourn at 9 p. m. Thursday.

Since each Baptist Church is independent the Lauderdale meeting differs from similar meetings of other denominations. The convention is composed of "messenger" rather than delegates. The body is not an ecclesiastical division of the denomination, but rather a missionary agency. Hot debate is anticipated by some on a proposed amendment to the convention constitution which concerns the number of members on the annual Nominating Committee and procedure for selecting members on the State Board of Missions.

Swamp Buggy Day Scheduled At Naples

NAPLES—Unique among Florida events and celebrations is "Swamp Buggy Day" staged at Naples each fall.

Saturday, Nov. 8, will be an all day holiday at this gulf coast resort city.

A tough course has been laid out and swamp buggy drivers will need all the skill they can command if they enter the race.

According to General Chairman Jack Sperling, this year's celebrations. Buggies are being entered which will eclipse all previous celebrated from all over the 'Glades area with experienced drivers at their wheels, out to win or else.

Unlike previous swamp buggy celebrations, all events except the gala parade and dance will be held at the scene of the races, a few miles east of Naples.

The parade is scheduled to start at 10:00 a. m. and the races at 1:30 p. m.

Other events include a fish fry and dance.

Long Range Road Program Is Needed

GAINESVILLE—If Florida is to hold her own as a tourist state and at the same time take care of the normal increase in motor travel, she will have to quit kidding herself and begin thinking in terms of a long range road building program designed to provide an adequate primary system capable of meeting not only today's needs but for many years.

Florida's continued prosperity and growth depends on two things, her ability to move tourists into the state rapidly and safely and to move her produce out of the state in the same manner.

More and more people are traveling to Florida by automobile, and more and more Florida produce, fruit, vegetables and other products are moving by motor truck. Our present day roads are far inadequate to meet present day demands and are going to pieces, while new construction is far behind what it should be.

Competent engineers, after a careful survey of the Florida situation, estimate that it will take at least two billion dollars to improve and maintain Florida highways during the next 20 year period.

Seining Continues Until March 1st

TALLAHASSEE — Commercial seining in six Florida fresh water lakes will be continued at least until March 1, says Cecil Webb, chairman of the State Game and Fresh Water Fish Commission. Webb added, however, that fishermen will have to pay more for the right to net fish.

Webb also announced that if the seining program isn't paying its own way by March 1, the matter will be turned over to the Legislature for decision.

In the meantime, the Commission decided to up the fee for taking bream and crappie from the fresh water lakes from four to seven cents a pound and to increase the catfish fee from two to five cents.

Euell explained to the Rotarians plans to establish a "walking blood bank" for the local hospital, the plan being to record blood types of all residents willing to donate blood and call for donations of blood only as it is needed at the hospital. The club voted to cooperate with Euell by giving its full support to his plan.

It was announced President Elmer Jones and Harold Wetzel represented the club at the recent

Tri-State Rotary meeting in Daytona Beach.

Guest speaker was W. P. Jernigan of Clewiston, superintendent of the Western Division of the U. S. of the Clewiston, Mr. Jernigan a former resident of Canal Point, was a charter member of the Pahokee Rotary Club and served as its third president. Introduced by J. V. Thomas, he gave a talk on "Our American Heritage" in which he contrasted the individual freedom of American citizens with the endless restrictions imposed on citizens living within the bounds of a government dictatorship.

Other guests included Joe Mathis, Panama City; Frank Rozelle, exchange visitor from the Pahokee Lions Club, and George Scruggs, Pahokee High School Senior, who was the guest of student member, Calvin Padgett.

Wedding Date Set

Miss Christine Unwin, daughter of Mr. and Mrs. W. V. Unwin of Pahokee, has set the date of her marriage to Kyle A. Hatfield, son of the Rev. and Mrs. Oliver Hatfield, son of the Rev. and Mrs. Oliver Hatfield of Canal Point, for Sunday, Nov. 30. The wedding will take place at the Pahokee First Baptist Church immediately following the morning worship service. No formal invitations are being issued but all friends of the couple are invited.

Harvesting of the largest sugar crop ever produced in Florida got under way this week when the big sugar house of the United States Sugar Corporation began grinding operations.

Fumblitis Marks 2nd Blue Devil Win

The Pahokee Blue Devils chalked up their second victory of the season Friday night when they blanked the Okeechobee Brahmas, 20-0, on Lair Field in a game gummed up with more fumbles and pass interceptions than has been seen on Lair Field in many a season.

The epidemic of fumblitis began on the third play after the kickoff when Blue Devil Halfback Bill Hatton fumbled the ball and the Brahma fullback Bill Thomas recovered on the Pahokee 41. On the next play Okeechobee's Quarterback Williams attempted a pass which was intercepted by Pahokee's Gordon Hoyle, then on the next play Hatton again fumbled and the ball was recovered by Williams—and so went the game.

The Blue Devils scored shortly after the start of the second quarter when the ball, again fumbled by Williams, was scooped up from the Okeechobee 25 by Tackle Benny Sips who zoomed through for a touchdown and Hatton went through the Brahmas line for the extra point.

A little later in the same period QB Calvin Padgett intercepted one of Williams' passes on the Okeechobee 30. Hatton and Hal Rosenberg then drove to the one-yard line where Hatton rammed center for the TD and Rosenberg repeated the performance for the point. Near the end of the first half Rosenberg broke loose on a 51-yard gallop to the goal line only to have his fine run nullified by

a Blue Devil off side penalty.

At the start of the third quarter the Blue Devils began a 50-yard drive from their own 34 only to be stopped cold by the Brahmas on their 16. A few minutes later Pahokee grounded a kicked ball on the Pahokee 47. Rosenberg passed to Substitute End Ronnie Elliott for 25 yards, then Hatton tore through right tackle for another 25 yards. An offside penalty against the Brahmas then put the ball on the 1½-yard line. On the next play Padgett's handoff was fumbled and the ball bounced into the end zone where Ronnie Elliott fell on it for the TD.

The Okeechobee eleven did its best work in the first quarter when they came the closest to the Blue Devil goal line after driving 35 yards to the Pahokee 29 where they popped out and lost the ball on downs.

Roberts To Speak

Benjamin Roberts of the Palm Beach Research Farm, Canal Point, will be guest speaker at the November meeting of the Pahokee Parent-Teacher Association in the high school auditorium Monday, Nov. 10, at 8 p. m., according to an announcement by Mrs. George Arceneaux, program chairman.

In keeping with the observance of National Week for Education, Nov. 10-14, Mr. Roberts will give a talk on "Public Schools in American Life." Mrs. Paul Sasser, PTA president, will preside.

Ellsworth Keen returned home by plane Wednesday from a business trip to Joplin, Mo.

Arlene Raineri Has Birthday Party

Mrs. Leona Raineri entertained at the Woman's Club building Monday evening with a party honoring her daughter, Miss Arlene Raineri, who was celebrating her sixteenth birthday anniversary.

The hostess used yellow chrysanthemums, fern and palms in decorating the clubhouse for the occasion. She was assisted in the entertaining by Miss Leona Gamot. Games and dancing were enjoyed and refreshments of individual birthday cakes, ice cream and punch were served to 152 guests.

Like your travel with a JOYOUS THRILL?

WE HAVE NEWS for a lot of folks who want more fun from driving than they get from their present cars.

There's a trim bundle of eager high-powered energy that's just the ticket for you—a spirited automobile that can give you thrill after joyous thrill, for mile after fleeting mile.

Why not come in and try the Buick we have in mind?

The excitement starts with your first look at it, your first sitting in it, your first fingering of its slender wheel.

But wait till Dynaflo Drive* begins working its magic—and its constant and complete smoothness fills you with never-ending wonder.

Wait till you feel the bubbling exuberance

of taking your first hill with a high-compression Fireball 8 Engine doing the honors. That's when you get a man-sized sampling of the tremendously able and instantly responsive power you command here.

Wait till you feel the serene satisfaction of skimming over rough roads, cobbles or ridged crossings. That's when you know, better than words can tell, what a million dollars' worth of ride engineering can do in the way of magnificent comfort.

Wait till you jockey into a real tight parking space and note the fun and ease that Power Steering** brings to a once-tough job.

But—why wait?

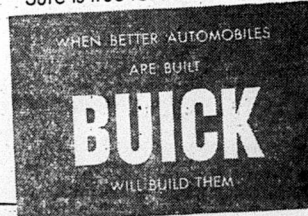

There's a Buick that can do all this—and more, far more—all ready for you to try it.

And listen: If you can afford a new car, you can afford a Buick.

How about coming in this week for a real sampling of this joyous travel?
